

# Progressive Approaches to Hip and Knee Pain

John Swartz, DO

Kevin Vardon, PA-C

**Tuesday, June 25 | 6:00 p.m.**

**Health Pointe – Community Room**

**15100 Whittaker Way, Grand Haven, MI**

What causes joint pain? What options do you have to combat that pain from both nonsurgical to surgical treatments. Join fellowship trained orthopedic surgeon Dr. John Swartz to learn about the latest treatment options from Mako robotic knee replacement to minimally invasive anterior and posterior hip replacement to keep you on the move.

Dr. Swartz is fellowship trained in joint preservation and reconstruction. He specializes in:

- Hip and Knee: Pain, tendon, ligament injuries
- Arthritis
- Fracture Care
- Arthroscopy and minimally invasive partial and total knee replacement
- Mako robotic knee replacement
- Minimally invasive anterior and posterior hip replacement

**Due to limited seating, registration is required for this free event.**

**RSVP on our website: [Health-Pointe.org/events](https://www.health-pointe.org/events)**
